## **Artist Information Sheet**

Songbird Community Healing Center is excited to be displaying fine art from local artists at our healing center in Cotati, California. The artwork inspires and helps create the healing atmosphere of the center. As healers, we understand that art is very healing to the soul. We have displayed various forms and media.

If you are interested in showing your artwork, we suggest you take a look at the Songbird physical space on-line to determine if our center is appropriate. You are encouraged to attend our Experience Songbird Saturday event and use it as a reception for your own customers. We are also open to you hosting your own event or showing.

The installation period is 2- 3 months. We request that you be an active part of the installation and provide appropriate picture hanging hardware along with explanatory cards to place on the wall with each piece of artwork. A complete list of the art pieces and their prices will be included in the signed agreement.

If you e-mail us pictures of your artwork, a brief bio, and an artist statement, we will put them on our website. You are responsible for handling sales and can leave business cards on our information table. We ask that you provide us a 10% commission on sales.

We are looking forward to meeting you. Please e-mail inquiries and pictures to [Judith@songbirdcenter.org](mailto:Judith@songbirdcenter.org) and/or [Deborah@songbirdcenter.org](mailto:Deborah@songbirdcenter.org)
